

## Owl Camp 2022: Scholarship Application

Thank you for your interest in LandPaths' Owl Camps for Summer 2022. It is LandPaths' goal to make camp accessible to all families. One way we do this is by providing full and partial scholarships to ensure financial hurdles are not a barrier to participation. All families are asked to pay between \$50 to \$175. Scholarships will be offered based on need and space availability. **The deadline for applications is May 23<sup>rd</sup>, 2022.** We will continue to accept more applications after this day if there are spaces available.

We will review and accept applications on a rolling basis. All scholarship applicants will hear back from LandPaths no later than May 27<sup>th</sup>, 2022. Please note that filling out this application is the first step of the process and does **not** guarantee that you will be awarded a scholarship. If you are awarded a scholarship, it is required that participants register and attend all days of the camp. Thank you for your application.

LandPaths would like to eliminate as many barriers to participation as possible, including barriers due to transportation. We have some capacity to provide transportation. If you lead a carpool for other participants, you would be helping us eliminate barriers others may have. The addresses to our camps are:

Healdsburg: 9282 W Dry Creek Rd, Healdsburg, CA 95448-9134

Santa Rosa: 7125 St Helena Rd., Santa Rosa, CA 95404

Occidental: 6407 Bohemian Hwy, Occidental, CA 95465

Questions can be directed to Carlos Rivas, [carlos@landpaths.org](mailto:carlos@landpaths.org). You may also call us by phone at 707-544-7284 x 118. Scholarships are reviewed on a rolling basis. Early applicants may be responded to earlier than May 23<sup>rd</sup>. Due to high demand, we are not yet able to offer scholarships to all who apply.

**\*Special Note:** aside from the camps listed here, there will also be 6 other SRCS District Owl Camps offered through a separate application via your school.

Please select the responses that best describes the transportation circumstances of your participant. You may circle more than one option:

- My participant does not need transportation assistance.
- I am able and willing to drive carpool to provide transportation for other participants (aside from your own) to and from camp.
- I am open to having my participant be in a carpool with other campers and driven by a parent other than myself.
- I need LandPaths to provide transportation for my child to attend camp.

This is the first summer we will be trying to give each scholarship recipient more than one week of camp, maximum two weeks of camp. Would you like your youth to attend more than one week of camp?

Circle One:            Yes            No

Please let us know the week(s) of camp you are interested in. **Circle and number** them in order of preference (1st, 2nd, 3rd & 4th). This will help us find a spot for your youth as camps get full. This is the first summer we will be trying to give each scholarship recipient more than one week of camp, maximum two weeks of camp.

Every week of camp has a different theme. For more information about each week of camp go to the website: <https://www.landpaths.org/owl-camp/>
